

Vice President - Existing Industry

The Clinton Regional Development Corporation (CRDC) is seeking applicants for Vice President - Existing Industry. This newly established, full-time position will be primarily responsible for implementing the CRDC's existing industry program, including industrial expansion and retention projects, workforce development, and related activities. Preferred qualifications include a bachelor's degree in business or economics; previous economic development experience; working knowledge of business operations and finance; strong written and interpersonal communications skills; and extensive computer/technology skills. Preference will be given to graduates of the Economic Development Institute (EDI). A complete position description is available at www.clintondevelopment.com.

Salary will be commensurate with experience and qualifications. The position also offers a full benefits package.

Applicants should send a cover letter, resume and references by mail to: Mike Kirchhoff, CECD, President & CEO, 721 S. 2nd St., Clinton, IA 52732 or via email to mkirchhoff@clintondevelopment.org no later than 5:00 pm, June 5, 2015.
