

The Clinton Regional Development Corporation 2021 Community Impact Award

Presented to Hy-Vee

Hy-Vee is on a mission to make lives easier, healthier and happier. Beyond quality, variety and convenience, we also have a focus on our communities. Our communities are at the heart of our grocery business – and we give generously to projects and organizations that support growth and quality of life. We are honored to receive the 2021 Community Impact Award from the Clinton Regional Development Corporation!
